

Stop H.R. 1

TAKE ACTION TODAY! It's for ALL the MARBLES!

CALL TO ACTION FOR AMERICA

All Americans need to **call or write** their Senators TODAY **TO DEFEAT H.R.1!** H.R. 1, which is before the Senate, is the final culmination of the Leftist's dream of forcing all of us under one party Democrat – Leftist rule. This bill will lead to tyrants in Washington, D.C. telling all Americans how to live every aspect of their lives. In essence, H,R. 1 will make America look like California – a one-party state where nearly half the citizens have no voice in their own governance.

In a nutshell, H.R. 1 takes the responsibility for running our elections away from the states by federalizing them. Among other things, it makes vote harvesting legal, it makes cleaning up the voter database for people who have moved or died harder and, MOST EGREGIOUSLY, **it will lead to millions of illegal aliens and non-citizen residents being registered to vote In our elections!**

Tom 'Z' Zawistowski, We the People Convention, has more information on HR1, which can be found [here](#). You can also view Tom's March 27 podcast, which covers HR1 and much more, [here](#).

HERE IS WHAT YOU MUST DO: CALL the following Senators:

- Defend the filibuster and defeat HR1:

*The filibuster is a tactic used in the U.S. Senate to block or delay action on a bill or other measure. A filibustering senator may endlessly debate an issue, or use any other means to obstruct or prevent action. The Senate can overcome a filibuster if it invokes cloture — a vote by 60 members of the Senate to place a 30-hour time limit on consideration of a bill. Eliminating the filibuster would allow all legislation, including HR1, to pass the senate with a simple majority vote.

*Dear Senator XXXXXX,
I'm one of the tens of millions of people in this country who supports the constitution and the liberties and freedoms it represents. Forcing the most fundamental changes upon our country by a 50+1 vote is un-American, and will result in such disunity that I fear it would threaten the very viability of our nation. Please fulfill your pledge to preserve the Senate filibuster. Additionally, the pending H.R. 1 bill is misnamed for "We the People." This bill is about the federal government imposing its will over the people -- not representing the people. As a sovereign citizen, I implore you to prevent this legislation from becoming law.*

I cannot image the pressures you are under, but, most respectfully, you have to do whatever it takes to stop HR1 and preserve America. All current and future generations look to you
